ABOUT US

Our center in suburban DuPage was founded to provide support to those who had nowhere else to turn. Since 1930, Metropolitan Family Services' DuPage Center has helped families restore balance in their lives and achieve economic stability; provided youth mentoring; counseled parents, children and seniors; and provided respite to family caregivers.

COMMUNITIES SERVED

The 33 communities of **DuPage County (including Elmhurst, Naperville and Woodridge)** are served by this center with special emphasis on low-income, working-poor families. Though long known as an area of relative prosperity, recently DuPage has seen increasing rates of low-income families moving in, with an influx of immigrants and an increasingly aging population requiring assistance to meet challenges. Metropolitan provides counseling, youth services and older adult services, like respite services, that meet the needs of DuPage residents.

STAFF

The DuPage Center is comprised of 40 full and part-time staff members.
