

## OLDER CAREGIVER PROJECT WORKS BECAUSE...

### PERMANENCY PLANNING

(Planning for Children's Long Term Care)

"When there are concerns with a placement where a child's needs are not being met, the OCP is engaged in the process for the length of time that is necessary to get what the referral agency is looking for."

- Lawyer, Agency Collaborator

### SENIOR AND CHILD EVALUATION

"The OCP staff is caring and professional. They listen to you and make you feel that your opinion is valuable. If you are having a problem or challenge with your children, they ask how they can help, and suggest various options to manage the problem at hand."

- Grandparent Raising Grandchildren

### COLLABORATIVE SERVICES

"The workgroup offers a great opportunity to exchange and listen to the various perspectives from the agencies involved in the situation within a family."

- Child Therapist, LCPC

### EDUCATIONAL WORKSHOPS

"The Community Workgroup is a great support to us because we get information, resources, and workshops about relevant topics. It is a safe space where we can exchange ideas that help us thrive as a family."

- Grandparent & Senior Support Group
