

ELIGIA MILAN

Project Coordinator, Individual Rights & Social Justice Practice Group

Eligia “Ellie” Milan is the Program Coordinator for the Victim Legal Assistance Network (VLAN) at the Legal Aid Society (LAS) of Metropolitan Family Services.

Ellie provides case management and counseling services to victims of crime, including psychological evaluations for immigration petitions. She also supervises interns from various levels of education, such as high school (Honors Pre-Law), Bachelors, and Masters level programs.

Prior to joining MFS in 2015, Ellie was a clinical mental health counselor for South Suburban Family Shelter in their residential domestic violence program. She also spent some time in private practice primarily helping clients who were experiencing depression, anxiety, and trauma.

Ellie holds a master’s degree in Clinical Mental Health Counseling from Governors State University as well as a Bachelor’s degree in Psychology from the same school.
