Please consider joining DuPage-area civic, business and philanthropic leaders who invest in Metropolitan Family Services DuPage through our program. The special presentation will feature an engaging evening to empower and support our DuPage neighbors.

Proceeds support Metropolitan Family Services DuPage as the county's largest provider of family and community services through comprehensive programs - education, economic stability, emotional wellness, and empowerment - serving 36,033 of the county's most vulnerable children and families, regardless of their ability to pay.
