

### **MEDICAID REDETERMINATION FACT SHEET**

- As of April 1, 2023 the Covid-19 Public Health Emergency will end and enrollees will be required to renew their benefits
- If an enrollee does not submit their renewal or does not qualify for benefits anymore, coverage will end a month after their renewal date
- Renewal forms will be mailed to the address on file one month prior to their renewal date.
  - Clients have reported receiving texts as well around their renewal
- Renewal forms are to be submitted by the first day of the following month
- Everyone's renewal date is different. There is not a date where everyone is renewing all at once
- Enrollees can update their address and check their renewal date by visiting the "Manage My Case" link on the <https://abe.illinois.gov/abe/access/> or by calling 1-877-805-5312
- There is a link on the HFS website at [e](#) to "Manage My Case" as well.
- Pregnant mother's who gained coverage during the Public Health Emergency will lose coverage if they do not re-apply
- If an enrollee misses their renewal date, they may still be able to renew if the renewal is submitted within 90 days. This will be determined on a case by case basis
- If an enrollee misses their renewal date and submits the renewal within 90 days, coverage will be retroactive to the original renewal date
- If an enrollee misses their renewal date and does not submit the renewal within 90 days they will need to reapply with a new application
- Resources are available at <https://medicaid.illinois.gov/> for Medicaid customers and providers which include a Ready to Renew Messaging Toolkit for providers, FAQ's, an Overview of the Renewal Process and a change of address form
- All Medicaid MCO's are contacting their members with information around the Medicaid Redetermination process
